Frequently Asked Questions

How do I apply?

Apply online with our secure website, CAPEXMD.com. The application must be completed by both the Borrower (Primary Applicant) and the Co-Borrower (Secondary Applicant), which is usually your spouse or another individual who you wish to nominate.

Is there an Application Fee?

There is a \$25 non-refundable application fee. You will be asked to provide credit card information, and upon submission of your application, this fee will automatically be charged to your credit card.

How do I know how much to apply for?

Apply for an amount that will cover the estimated costs of your procedure. CAPEXMD will either approve you for that amount, or inform you of the amount for which you qualify.

How long will it take to get approved?

All applications received before 12 noon EST will be pre-approved on the same day. All applications received in after 12 noon EST or outside of our normal business hours will be pre-approved the following business day.

What if I have had credit problems?

CAPEXMD will make every effort to customize a loan within the framework of your current financial status.

Is there a prepayment penalty?

As long as you make your monthly payments on time, you can prepay, or pay off, your remaining balance at any time, without penalty.

Are there any additional fees?

If the loan is approved and all loan documents are executed, there will be a document preparation fee of \$75.00 and an additional \$15.00 for every \$1,000 (or part thereof) of loan amount above \$5,000. The maximum fee is \$150.00.

When and to whom will the funds be disbursed?

Once you have accepted the approved loan, the funds will be disbursed directly to the physician's office within 2 business days on your behalf.

Who should I call if I have questions?

Select the "Contact Us" button and submit your request for information. A Fertility Loan Specialist will call you on the same day if your request is received before 12 noon EST, or the following day if received after 12 noon EST.
